### About Us

Founded by rising entertainer and philanthropist Vincent “Heartbreak” Tucker (FOX, ABC & CNN) in February 2008, *Register to Speak Out!* is a non-partisan campaign based in Dallas, Texas on a mission to educate, motivate and empower North Texans aged 18 to 30 to take part in the political process through voting.

Following the path of other successful non-partisan organizations like Rock the Vote & Citizen Change, *Register to Speak Out!* increases voter participation amongst North Texans by using music & entertainment to make voting relevant. Through our voter registration drives and get-out-the-vote events, we give young people the tools to identify, explore and take actions on issues that affect our futures. We’ve also partnered with Rock the Vote to register Voters at our website.

### Spreading the Word

Methods utilized to register, persuade and mobilize young voters in 2012 include but are not limited to: visiting area high schools, colleges and hot spots; recruiting volunteers and advertising on online social networks; and work with local and state youth oriented-groups.

### RegisterToSpeakOut.org

On the website, potential voters and volunteers can read more about our campaign as well as find links and resources about other partisan and non-partisan organizations that are encouraging the youth vote and the issues that are affecting the country. Information will be available regarding volunteering, registering to vote and finding a polling place in your area, as well as a section about myths concerning voting and why all should vote.
